

The Green Man Gallery – Venue 86

Venue Information for Buxton Festival Fringe 2021

The Green Man is an independent gallery and arts centre housed in a large Victorian building behind Buxton Museum, easy to find thanks to its central location. It is managed and run on a voluntary basis by local artists and community volunteers and is popular with locals and visitors alike. There is limited free off-road parking space at the gallery with pay and display car parks and roadside parking nearby.

The Green Man Gallery is a managed performance venue which gives a friendly welcome and excellent support to performers and companies bringing shows to the Fringe. In previous years The Green Man has hosted jazz, folk and classical music, comedy, theatre, poetry, cabaret and workshops during the Fringe. We handle all of your ticket sales, assist with promotion of your event and provide front of house staff. (See page 4 for details of the services we offer.)

We can host full-length shows with an interval or shorter performances (60 minutes or less). We work on a first-come, first-served basis and can allocate your date(s) and time slots as soon as you contact us.

Venue 86a: Ground Floor Gallery

The ground floor of The Green Man was originally a ballroom. It has superb, large room acoustics in the context of an intimate and friendly small venue. The gallery is used as a venue throughout the year and is very popular with touring musicians. We also host small-scale theatre, spoken word and comedy shows. The acoustics are particularly good for folk, acoustic, jazz and classical music and there is a baby grand piano which can be used for a small extra fee.

Stage: There is a small corner stage with a curved front edge. There are no wings and no backstage area.

Seating capacity: Two areas close to the stage are used for audience seating. Maximum 60 with chairs in rows or 45 at café tables. It is also possible to have a combination of rows and tables. The rest of the room is taken up by fixed display screens exhibiting art work but it may sometimes be possible to use the exhibition spaces flexibly for some performances. (Floor plan on page 4.)

Availability: The ground floor is only available outside gallery opening hours between 6pm and 10.30pm. The whole of the ground floor (but not the stage) is accessible to wheelchairs.

Hire: £30 for shows up to one hour or **£50** for full length show with interval. Discounts available for block bookings of more than one performance.

Evening performance slots:

Shows of 60 minutes or less: Slot 1 starts at 6.30pm (Doors open 6.15pm). Slot 2 starts at 8.30pm (Doors open 8.15pm). We can sometimes be flexible depending on the get-in and get-out times required.

Shows over 60 minutes: Start between 6.30 and 8.00pm. Finish no later than 10pm.

Technical information

Please note, this is a **multi-purpose space, not a theatre**, so there is no integrated sound system or lighting rig and no blackout. Performers are welcome to bring their own sound and lighting equipment which must be PAT tested. All lighting must be free-standing. Please discuss at the time of booking.

The ground floor gallery is open to the public during the day for the viewing of exhibitions. We cannot leave sets or technical equipment in place. Please plan for setting up and striking everything before and after each performance. We may be able to store your set/props/tech. equipment between shows. Please discuss this in good time.

Get-in and Get-out times

These will be confirmed at the time of booking and must be adhered to. For shows of 60 minutes or less, you can expect to have 30 minutes to get in and 15 minutes to get out. For longer shows, timings are more relaxed as we can only fit in one full-length show per night.

Venue 86b: Workshop Room

A large, light bay windowed room up one flight of stairs on the mezzanine floor. (No lift.) The room is a flexible 'empty space' with good acoustics thanks to its high ceiling and vinyl flooring.

Suitable for storytelling and other spoken word performances; children's events; very small scale theatre such as one-person shows; small-scale musical performances; workshops and classes; rehearsals.
(Floor plan on page 5.)

The Workshop Room

Seating: Up to 25. The room can be set out in various ways. We can fit in 25 chairs for end-on or traverse layouts. Other layouts may reduce the audience size.

Availability: Can be used for performances during the day and in the evening.

Time slots: 12pm to 1pm; 2pm to 3pm; 6pm to 7pm; 8pm to 9pm

NB This room is used regularly for classes, workshops and rehearsals by local arts groups but we will do our best to accommodate your show if we can.

Hire: £30 for shows up to one hour with discounts for block bookings. £15 per hour for workshops.
